

PUZZLE ART

CHALLENGE: Your **TASK** is to create a work of art in multiple pieces

TIME: You will have up to two minutes to use your imagination to plan and develop strategy, up to five minutes to create an original work of art in six pieces and then up to one minute to put your pieces of art together for score.

SET-UP: In the center of the room are three tables. On each table are two taped squares. Within each square is a canvas covered with paper. Next to each taped square is a box of markers and a list of artistic elements.

PROCEDURE:

Part One (2 minutes): Plan and develop strategy

Part Two (5 minutes): Create a work of art in pieces. During this time the canvases must remain within the taped squares. You will want to incorporate as many of the artistic elements into your work of art as possible.

Part Three (1 minute): During part three, the canvases may leave their taped squares. Put your pieces of art together on the floor in the center of the room for score. In part three no additional markings may be made on the canvas.

MATERIALS:

6 canvases covered with paper **6 boxes of markers**

The canvases and markers may not be damaged. A piece of paper and a pencil will be available for your team to use as you plan your solution.

SCORING: You will receive

- A. 10 points if all 6 canvases are joined together at the end of Part Three
- B. 5 points (50 pointes max) for each element successfully incorporated into your work of art.
- C. Up to 20 points for the creativity of the work of art.
- D. Up to 20 points for how well your team works together.
