

Building the Skills for Instant Challenge Success!

- **Teamwork**
- **Creative Problem Solving**
- **Presentation Skills**
- **Properties of Materials**

If you've taken our IC workshop before, you learned *what kinds* of Instant Challenges to expect. Now get ready to learn *how* to teach your team the skills they need to solve *any* DI challenge they encounter! This hands-on class includes strategies and exercises as well as new challenges for practice and insight to new IC competition trends. If you think you've done this one before, think again!
